### WILD BIRD FEEDING

This happens daily at Darlington Park (Lost World Map #3). at 4pm. This is a Free Activity. You do not need to book or pay anything but we always ask our guests to purchase an ice cream from the shop as a way of saying thanks for including us in this activity. It is best to wear long sleeves and a hat. Assemble at the onsite shop. There is also a public playground at Darlington Park and it is a great place to access the river for a swim.

## CAMP FIRE EXPERIENCE AND STAR GAZING

Your host will set you a traditional Australian Camp Fire complete with marshmallows to toast in the flames! You will also see the wonders of the night sky including the milky way (weather permitting). The Lost World Valley is an excellent spot for star gazing. You can also do this unaided.

## MASSAGE

Massage in the privacy of your own cottage. **Contact Reception To Book!**

## PICNIC and KIDS KAYAK AT "THE HUT"

We have a private picnic area with a stone hut. The creek flows just past and it is a great spot for relaxing, picnicking, swimming, fishing or using our kids kayaks.

### Directions:

Return to Kerry Rd in the direction of Beaudesert. Take the next driveway on the right (a few kilometres along) which is 3213 Kerry Rd. You will cross a bridge over the river (yes it is safe) and then turn immediately left on to the grass and follow the river bank along to "The Hut".

## Lamington National Park - Lost World Section

A beautiful short walk at the end of Lost World Valley.

### Directions:

Return to Kerry Rd and turn right (away from Beaudesert). You will cross the river at Lost World Crossing and pass through "Obrien's" gate. You do not need to phone the number on the gate for permission to go to the National Park. Please be aware that you are not allowed to wander from the road as this is private land belonging to our neighbours. Drive to the very end of the road (about 10 minutes) to the Lost World Guest House where you can park your car at the locked gate.

### Exploring and Swimming

You can enter through a pedestrian gate. There are no facilities here and the walking track passes along a gazetted road to enter the National Park. This road passes through private property so

please stick to the path shown by helpful maps and rocks with arrows to mark the way.

Follow the rough track or rock hop up the river to Lost World Rock Pool (about 20 minutes walk upstream). Do not stray far from the river as it is very easy to become lost and disorientated.

Again we emphasise to respect the privacy of the landowners and stick to the gazetted road and follow the markers along the legal access.

**Fishing is not permitted in this area. Pets are not allowed in this area.**
